V. PANDRANG RAO,
Deputy Secretary to Government.

Fort St. George, July 21, 1925.

No. 779.—The Siva Devasthanam Committee, Tinnevelly brings to notice that the 75 temples specified in the annexure were under its jurisdiction till the Madras Hindu Religious Endowments Act, 1923, came into force and that as the annual income of each of these temples is less than Rs. 250 they are now outside the scope of the Act—vide sub-section (3) of section 2 of the Act. The Committee recommends that, in the interests of the proper administration of these temples, it is desirable that they should continue to be administered by it and that the provisions of the Madras Hindu Religious Endowments Act should be applied to them. The Board of Commissioners for Hindu Religious Endowments supports this recommendation and asks Government to apply to these 75 temples all the provisions of the Act except section 65 (1) which relates to the levy of contribution towards the expenses of the Board. Before issuing a notification under the proviso to sub-section (3) of section 2 of the Act as

desired by the Board, the Government would like to know whether any trustee of or worshipper at any of these 75 temples has any objection to urge against such application. If no valid objection is received by Government within a month from the date of publication of this notification in the District Gazette, the Government will proceed to issue a notification under the proviso to sub-section (2) of section 2 applying all the provisions of the Act except section 45 (1) to the 75 temples specified in the annexure.

No. 782.—On the report of the Examiner of Local Fund Accounts that there was considerable delay in the rendition of the monthly accounts by several

Local Boards to the Audit Office, the Government in Memo. Nos. 35237-1, L. & M., dated 17th December 1924 and 2763-1, L. & M., dated 5th February 1925, called upon the Presidents of the several local boards to explain the delay in the submission of the monthly accounts and to forward the accounts due from them forthwith to the Examiner. The explanations offered by the Presidents are dealt with below.

2. Some Presidents of Taluk Boards explain that the delay was due to the fact that they had no Government Accountants to prepare the accounts of their Taluk Boards while those who had complain that the Accountants neglected to discharge their duties properly.

There can be no room for similar complaints in future in view of the orders issued in G.O. No. 46, Finance, dated 16th January 1925.

3. Several Presidents ascribe the delay to the want of printed forms in which the accounts are to be submitted. This explanation cannot be accepted as the accounts could easily have been submitted in manuscript. Local Boards should promptly obtain the required forms on indent from Messrs. Hoe & Co., in accordance with the instructions issued in the Examiner's letter No. 24-38-1907, dated 16th February 1925.

4. Another explanation offered is that the clerk of the Local Board concerned was on leave and that his substitute was not able to compile the accounts promptly. Some Presidents explain that the delay was due to pressure of work. These explanations which display indifference on the part of the concerned Presidents cannot be accepted. Suitable arrangements should be made for the despatch of the return in time.

5. The President, District Board, Tanjore, explains that the delay is due to the fact that Sub-treasury officers do not send the chalans and advice of collections punctually to the Local Boards concerned, that entries made in the Treasury Pass Books are not correct and that much difficulty is experienced in reconciling his cash book balance with the Treasury balance. It is stated by some Presidents that Treasury Pass books were not written up and returned by the Sub-treasury Officers promptly. Collectors of Districts are requested to see that all sub-treasury officers strictly observe the instructions issued by the Accountant-General in his letter T.M. No. 23-3155, dated 28th November 1924, in which the necessity to write up and return the pass books promptly, to see that differences do not exist between the amounts entered in the pass books and in the Treasury Books and to intimate promptly the local fund receipts, is impressed on all Treasury Officers. The Government will be constrained to take notice of the conduct of those Sub treasury Officers who fail to observe the instructions strictly in future.

6. The attention of Presidents of Local Boards is again invited to para. 6 of G.O. No. 269, Finance, dated 2nd April 1924, under which the monthly account should reach the Audit Office not later than the end of the month succeeding that to which the account relates. The purpose of Audit will be frustrated if accounts are not submitted for Audit promptly. Presidents of Local Boards are requested to see that there is no room for similar complaints about delay in future.

7. Under G.O. No. 48, Finance, dated 16th January 1925, as modified by G.O. No. 152, Finance, dated 25th February 1925, the compilation of the accounts of District and Taluk Boards has been centralised in the Offices of the District Boards with effect from 1st May 1925 and the Presidents of District Boards are responsible for the compilation and punctual submission of the accounts of their respective District and Taluk Boards. Presidents of District Boards are informed that the payment of the Provincial subsidy towards the pay of accountants due to a District Board under para. 3 of G.O. No. 46, Finance, dated 13th January 1925, is subject to the condition that the accounts of the District Board and of the Taluk Boards under it, are satisfactorily maintained and that the monthly accounts, vouchers and chalans are forwarded punctually to the Audit Office.

8. In the case of Union Boards which inordinately delay the submission of their monthly accounts to the Audit Office, the President of the District Board concerned is requested to exercise his controlling powers under section 42 of the Madras Local Boards Act, 1920, and arrange to have the work done promptly. To enable this to be done, the Examiner of Local Fund Accounts is requested to report from time to time to the President, District Board, concerned, the names of Union Boards which are defaulters in this respect.

9. The Presidents of the local boards mentioned in the Appendix to this order have not yet replied to the memoranda quoted in para. 1 above in spite of reminders. The Government note this with disapproval.

Fort St. George, July 8, 1925
(G.O. Ms. No. 2424, L. & M.).

No. 783.—The outstanding liabilities on 31st March 1925 of the municipal councils and district boards, from whom the returns due under G.O. No. 1614, L. & M., dated 13th August 1921, have so far been received, amounted to Rs. 4·03 lakhs and Rs. 0·36 lakh, respectively. Of the Municipal Councils, Guntur has the largest liability (Rs. 1,04,739) being chiefly compensation due to Government on account of lands acquired for the Industrial school and Park and Travellers' bungalow. Trichinopoly comes next with a liability of Rs. 87,445 while Chirala, Bezwada, Nagapatam and Tiruvalur each have liabilities of over Rs. 10,000.

Of the district boards, North Arcot and Kurnool are the only ones with a liability of over Rs. 10,000.

2. The Government are glad to note that as many as eighteen municipal councils and eight district boards had no outstanding liability on 31st March 1925. In the case of those municipal councils which had heavy liabilities it is noticed that slackness in collection work is the chief cause. Vigorous steps should be taken to collect the taxes at an early date. The Government desire to impress again upon all local bodies that their disturbances in payment of outstanding claims is an unsatisfactory feature of local administration and in the long run will seriously affect their credit. All local bodies are requested to clear off their outstanding liabilities promptly so that their credit may not suffer.

3. In G.O. No. 2604, L. & M., dated 22nd December 1922, the Government have issued instructions to the Accountant-General to adjust the amounts due to the Government by local bodies from the provincial grants payable to them other than grants for Elementary Education. These instructions should be carefully followed.

4. In submitting their returns for the half-year ending 30th September 1925, such of the local bodies as have outstanding liabilities of more than Rs. 10,000 should report fully how such liabilities came to be accumulated and what steps they have taken or proposed to take to clear them off.

5. Presidents of district boards are requested to check delays on the part of presidents of taluk and union boards under them in paying their outstanding liabilities.

6. The returns for the half-year ended 31st March 1925 were due with the Government on or before the 20th April 1925, but several of them were received later. The last return was received from the Chairman, Municipal Council, Vellore, on 6th July 1925. The Chairmen of the Municipal Councils of Peddapuram and Kurnool and the Presidents of District Boards of Guntur, Kistna, Madura and Nellore have not yet submitted their returns. The Government note this delay with disapproval and request that future returns may be submitted punctually.

Fort St. George July 21, 1925.

No. 784.—The following Government Order is published for information :—

G.O. No. 1444, P.H., dated 11th July 1925.

[Maternity relief and Child welfare—Director of Public Health's Report, for 1924—Reviewed]

1. Recorded

2. Only three district boards, twenty-three taluk boards and thirty-four, municipalities have sent in reports of their work.

3. *Child Welfare centres.*—There are only forty-five centres in the Presidency for a population of over forty-three millions. The districts of Cuddapah, Kurnool, Guntur, Nellore and Malabar do not possess a single Child Welfare centre. On the other hand there are eight centres working in the Chittoor district, and among the remaining districts three—The Nilgiris, Vizagapatam and Chingleput—have four centres each, two others have three centres each, six have two each, while the rest have one centre each.

The municipalities of Chingleput, Madura, Vellore, Tanjore and Cotacamond have each of them two centres, the two at Chingleput having been organised and maintained by the Red Cross Society. Only seven new centres (Tadpatri, Masulipatam, Rajahmundry, Bimlipatam, Vizianagram, Chittoor and Chandragiri) were opened in the Presidency in the year under review in spite of the Government's special appeal in the last year's review.

4. To facilitate the opening of more Child Welfare centres and their efficient working, the Government have decided, as an experimental measure, to train four lady health visitors with a view to their subsequent employment by local bodies. It is hoped that local bodies will appreciate the importance of employing trained health visitors for opening and working Child Welfare centres.

5. *Training and employment of qualified midwives.*—Only seventeen municipalities and eight taluk boards are so far known to have employed qualified midwives in their service. Of these, four were appointed during the year under review by the municipal councils of Villupuram and Cuddalore and the taluk boards of Perambalur and Kollikonda. The appeal made by the Director of Public Health to the local bodies to take steps for the training of midwives did not meet with sufficient response. The municipal councils of Trichinopoly, Negapatam and Bimlipatam and the district boards of Ganjam and Vizagapatam are the only bodies which took any action in this direction. Adequate supervision does not appear to have been exercised over the work of trained 'dhais' with a view to ascertain the extent of improvement in their work brought about by the training given to them. The Government desire to impress again upon all local bodies concerned the importance of this work.

6. Greater attention appears to have been paid to the *organisation of local committees.* Thirteen local bodies (eight taluk boards and five municipal councils) organized local committees for intensive propaganda on Child Welfare and the starting of new centres wherever necessary against the solitary example of the Chirakkal Taluk Board in the previous year.

The example of the municipal councils of Cotacamond and Kumbakonam which have made a detailed inquiry into the requirements of Maternity Relief and Child Welfare and drawn up a programme of work for future years is commended to other local bodies for adoption. It is hoped that the programme will be rigorously followed.

7. Though some improvement is noticeable over the work of the previous year, the year's record cannot be said to be satisfactory. The Government wish to impress once more upon local bodies that the only practicable means of reducing the high mortality of mothers and infants is to make a comprehensive survey of their areas with a view to determine the places where relief measures are most urgently needed and then to get public-spirited men and women to organise Child Welfare centres in such localities.

No. 785.—Copies of type-designs issued by the late Sanitary Board and the Board of Public Health will in future be stocked by the Sanitary Engineer to Government, instead of in the Secretariat, for supply at his discretion to local bodies who might require them.

No. 789.—Application of the Salem Municipal Council for a loan of Rs 1,22,000 from Government under the Local Authorities Loans Act, 1914.

1. The purpose for which the loan is required and where the loan is required for any of the purposes specified in clauses 1, 2, 3 or 4 of sub-section (1), section 3, an estimate of the cost of the entire work or such part of it as it is proposed to carry out from loan funds—Construction of new buildings for the Municipal College, Salem. Estimated cost Rs 2,45,000 as per G O No 322, Law (Education), dated 27th January 1926
2. The amount which it is proposed to borrow—Rs. 1,22,000.
3. The fund on the security of which it is proposed to borrow—The Salem Municipal Funds.
4. The law under which the said fund is levied, received or held—The Madras District Municipalities Act V of 1920
5. The date within which the money is to be borrowed or when it is proposed to raise a loan in instalments the amount of each instalment, the date within which the first instalment is to be taken or received the year in which it is intended to take or raise the other instalments—The loan will be taken in three instalments First instalment Rs 25,000 in 1926-26 Rs 50,000 in 1926-27 and the rest in 1927-28.
6. The rate of interest at which it is proposed to borrow—6½ per cent per annum.
7. The number of years for which the money is to be borrowed and the method by which it is to be repaid—In twenty equal annual instalments including interest of Rs. 10,822.
8. An account of the financial position of the local body including a statement of all prior charges on the funds—A loan of Rs 4,10,000 was sanctioned in G O No 1562 M., dated 9th November 1909 1128 M., dated 26th July 1910 and 426 M., dated 15th March 1911, for water-supply. A sum of Rs 1,44,327-13-4 has been repaid up to 31st March 1925 towards the principal A statement showing the financial position of the Salem municipality is attached.

C. B. COTTERELL,
Acting Secretary to Government.

No. 789.—The following Government Order is published for information :—

G.O. No. 1448, P.H., DATED 11TH JULY 1925.

READ—the following paper :—

Letter from the Director of Public Health, Madras, R. No. 942-1 P.H., dated 18th June 1925.

In forwarding a copy of a resolution passed at the Health Officers' Conference in February last, I would remark that most District Health Officers have found it impossible to adhere to a monthly programme sent to the President, District Board, on the 7th of the previous month. So many emergent and unforeseen matters demand attention that the planned programme is very often entirely discarded and constant notes have to be sent to the President, District Board, notifying changes Probably if rule 2 of the rules appended to G.O. No. 1258, P.H., dated 27th July 1923, read "By the 23rd of each month, etc., etc.", many of the present difficulties would be avoided. In any case, a considerable proportion of the expenditure on stamps and notepaper incurred in notifying change of programme would be avoided, and the Presidents of District Boards would still be kept informed of the District Health Officers' proposed tours in time to make objections, if such were necessary.

I therefore recommend that rule 2 may be modified as suggested.

ORDER.

The Government approve the proposal contained in the Director of Public Health's letter read above.

Fort St. George, June 25, 1925.
(G.O. No. 1327 P.H.)

Madras, 13th July 1925.

No. 12.—In virtue of the powers delegated under clause XI of Government Notification No. 185, dated 13th July 1896, published on pages 1203 and 1204 of the *Fort St. George Gazette*, dated 29th September 1896, Part I, as amended by Government Notification No. 191, dated 19th March 1924, and in supersession of Board's Notification No. 13, dated 21st July 1924, the Commissioner of Excise hereby prescribes the following rules for the issue, etc., of licences under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1925 :—

(1) The villages in the Agency tracts specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiri district and the Wynad taluk, Anjengo, Tangasseri and the Attapadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licenses shall be issued on the application—

(*a*) of licensed toddy shop-keepers in areas in which the toddy shops are sold by auction or licensed separately;

(*b*) of persons having the exclusive privilege of manufacture and supply of arrack or toddy arrack;

(*c*) of tappers on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(*d*) of tree-owners generally, and of sweet-toddy tappers in the villages of the Agency tracts specified in Schedule I, in the East Godavari district, in the Narsapur, Bhimavaram, Tanuku, Ellore and Kovvagudem taluks of the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district, for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers for the drawing of toddy required for domestic consumption, but not for sale;

(*e*) of sweet-toddy tappers in Sankarridrug Circle for not more than two trees for the drawing of toddy required for domestic consumption, but not for sale;

(*f*) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory;

(*g*) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Sub and Abkari Inspector of the State; and

(*h*) of any member of a hill tribe whether a tree-owner or not, residing in any of the villages of the Vizagapatam district specified in Schedule II, for not more than five trees for each household for domestic consumption, but not for sale.

In cases (*b*), (*d*) and (*f*), the licenses may be issued in the name of the applicant himself or of his nominee, and in cases (*a*), (*c*), (*e*), (*g*) and (*h*) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licenses must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury or a Taluk treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. Pudukkottai renters, when applying for trees in British territory, must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4 (1) Applications for the grant of tree-tapping licenses must be made in the prescribed form to the Inspector, Excise Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned, along with the application in form T.T. 3, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping license in Mysore. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licenses in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree tax to be paid in such cases will invariably be the higher rate in force, if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licenses for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licenses for trees so reserved.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the licensed district. Similarly, those in the Banganapalle State will be allowed to tap trees in the adjoining British territory. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer of rank not lower than a Sub-Inspector and for the issue of the licence. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the Narsapur, Bhimavaram, Tanuku, Ellore and Yerragudem taluks of the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district and in the villages of the Agency tracts specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadhal (*Areca Wightii*) trees in South Kanara, tree-tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following, except in the case of the trees which have been illmitly tapped, on which the full tree-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licence is applied for :—

191. Read, approved and recorded the minutes of the proceedings of the previous meeting held on Friday, the 19th June 1925.

192. Read and approved the Chairman's draft of a letter to Government submitting with remarks the report on the accounts of the Madras Port Trust Works for the year 1924-25, audited by the Accountant-General.

193. Read and approved the Chairman's draft letter to Government submitting for sanction a re-appropriation statement providing for an additional allotment of Rs 6,05,000 for expenditure on Capital Works during 1925-26.

194. Read memorandum from Government No. 2374-2, Judicial, dated the 16th June 1925, stating that, in connection with the consideration of a proposal to exhibit in their accounts the amounts recovered from the Trust on account of its share of the cost of the Harbour Police Force, it has been suggested that it will be convenient if recovery of the charges from the Trust were effected before the close of each financial year—provisional figures for the month of March being adopted in the first instance and adjusted in the next month—and enquiring whether the suggestion meets with the approval of the Trust. Read also notes thereon by the Acting Chief Accountant and the Chairman.

Resolved that Government be informed that the Board have no objection to the suggestion being given effect to.

195. Read a note by the Deputy Chief Engineer, supported by the Chairman, recommending that, during his absence on the six months and eight days' leave sanctioned him in G.O. No 323, Finance (Marine), dated the 21st May 1925, the following acting arrangements be sanctioned:—

(1) M.R.Ry. Rai Sahib K. Ganapathi Kedwa, Executive Engineer, to act as Deputy Chief Engineer and to draw Rs 1,275 per mensem, the minimum pay of the post.

(2) M.R.Ry. V. Dayananda Kamath, Assistant Engineer, to carry out the duties of the Executive Engineer in addition to part of his own and to draw an allowance of Rs. 150 per mensem in addition to his grade pay

(3) M.R.Ry. S. Nagabooshanam, Sub-Assistant Engineer, to do part of the duties of the Assistant Engineer in addition to his own and to draw an allowance of Rs. 75 per mensem in addition to his grade pay.

Resolved that, subject to sanction of Government to arrangement No. (1) above, which should be applied for as required by section 30 of the Madras Port Trust Act, the acting arrangements proposed be approved.

196. Read a note by the Traffic Manager, supported by the Chairman, recommending, for reasons given, that the rate of 2 annas per quay ticket, laid down in clause 29 (a) of Part I of the Trust's Scale of Rates, for the admission to the South Quay or the Springhaven Landing Steps of any person who accompanies a passenger embarking from, or wishes to meet a passenger landing at, the quay or the landing steps, be increased to 4 annas.

Resolved that the proposed increase of the cost of a quay ticket be approved and that, as required by section 44 (1) of the Madras Port Trust Act, the proposal be submitted to Government for sanction and for publication of the increased rate in the *Fort St George Gazette*.

197. Read again Resolution No 111, dated the 22nd May 1925, deciding that the consideration of the estimate amounting to Rs 28 000 for converting the Trust's existing combustible shed and yard to suit the requirements of the Deputy Port Conservator, chiefly as a depot and workshop yard for him, be postponed pending the submission of plans and estimate of cost of a new combustible shed.

Read a note by the Chairman submitting plans and an estimate, the latter amounting to Rs. 46,000, for the construction of a new combustible shed on the sand reclation, near the New Eastern Breakwater,

Resolved that the plans and the two estimates, amounting respectively to Rs 28,000 and to Rs. 46,000, be approved and that the expenditure to be incurred under the two estimates be debited to Capital subject to sanction of Government under section 75 of the Madras Port Trust Act.

Resolved also that Government be informed that the expenditure of Rs. 28,000 proposed to be incurred on the conversion of the Trust's existing combustible shed and yard to suit the requirements of the Deputy Port Conservator, though properly debitable to the Port and the Pilotage Fund Accounts, is proposed to be debited to the Trust's Capital Account in view of the fact that neither of the funds has any Capital Account and that therefore they be asked to approve of the Chairman's suggestion to the effect that a sum of Rs. 4,200 per annum or Rs. 350 per mensem be recovered in equal

shares from the two funds in question—a sum which, in round figures, is the amount required to amortise with 6 per cent interest, in 15 years, the expenditure proposed to be incurred as well as the present day value of the shed, estimated at Rs. 12,000.

198. The Chairman handed to each Trustee a copy of his note reporting the result of a recent examination of the Dredger "Madras" by the Lloyd's Surveyor and suggesting that, in view of the necessity for renewing the two boilers of the vessel before February 1926, he be authorised, pending the submission, for sanction, of an estimate for the complete overhaul of the vessel, to cable the Trust's Purchasing Agents in England to accept the quotation, amounting to £8,300, for the supply of two new boilers, obtained by them from Messrs. Simons & Co., the builders of the vessel.

Resolved that, in anticipation of the sanction of Government to the acceptance of the quotation and pending the submission of an estimate for the complete overhaul of the vessel and of the proposals for the provision of funds therefor, the Chairman be authorised, in view of the urgency of the matter, to instruct the Trust's Purchasing Agents in England to place an order with Messrs. Simons & Co. for the two new boilers and that he be asked to request Government to confirm the Board's action in ordering for the machinery in anticipation of their sanction to the acceptance of the quotation.

199. Read a note by the Chairman recommending, for reasons given, that six electric "flood-light" projectors with the necessary bulbs be purchased from Messrs. Ivan Jones, Limited, Calcutta, at a cost of Rs. 300, F. O. R., Calcutta, for each projector complete with a bulb, for use on West Quay berths Nos. 3 and 4 as an experimental measure.

Resolved that the purchase be approved debitable to Revenue head 1, General Charges (ix) Electrics.

200. Read a note by the Chairman circulating for approval a draft memorandum of agreement with Messrs. The Vacuum Oil Co., Madras, for the purchase from the Company of lubricating oils and greases for a period of one year with effect from 1st June 1925.

Resolved that the memorandum of agreement be approved.

201. Read a memorandum by the Trust's Chief Accountant submitting an application for gratuity from the widow of the late Mr. S. Appadurai Mudaliyar, Assistant Cashier.

Resolved that a gratuity amounting to Rs. 1,650, being at the rate of half a month's pay of the deceased employee for each of his 33 completed years of service, be paid to the widow.

202. OFFICE OF THE COMMISSIONER OF EXCISE.

NOTIFICATION.

No. 11, *dated* 8*th July* 1925.

NOTICE OF SALE OF ABKARI PRIVILEGES

Notice is hereby given that the privilege of sale of toddy in independent shops in the tree-tax areas of the Presidency, including the Banganapalle State and the toddy farms of 122 villages of the Parlakimedi Maliahs of the Ganjam Agency will be put up to auction subject to the conditions hereinafter set forth. The period for which the privileges will be sold will be twelve months commencing 1st October 1925 and ending 30th September 1926. The number of shops and farms, the local limits appointed for them and the dates on which, the places at which and the officers by whom, the auction sales will be conducted will be notified by Collectors in their District Gazettes. A separate notification will be issued regarding operations under the tree-tax system.

Conditions of Auction Sale.

I. Any person desiring to bid must deposit Rs 20 with the selling officer on the day of sale, but discretion is given to the selling officer to reduce the deposit to Rs. 10 when necessary. In Madras City the deposit to be made by each bidder will be Rs. 50. No one will be admitted to the auction room unless he has made this deposit. No one may bid for another person unless he holds a power-of-attorney from him. Deposits made under this clause will be returned on application to unsuccessful bidders at the close of the day's sale.

NOTE.—In Madras City the deposit must be paid into the bank treasury and the chalan for such payment produced before the selling officer. Deposits will be returned under the orders of the selling officer to unsuccessful bidders at the close of the day's sale on presentation of the chalan at the bank office.

II. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a criminal court or has previously been guilty of such a breach of the conditions of license or of a contract under the Abkari or Opium Act as to render him undesirable as a holder of a licence; or (2) that he is insolvent or in arrears to Government; or (3) that his bid is purely speculative; or (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village; or (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; or (6) that he is a brewer bidding for beer shops; or (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

III. The reserve price placed on each shop or farm will not be published but the average annual rental during the previous five years will be notified by Collectors, wherever possible, for the information of bidders. The selling officer will fix the upset price of each shop.

IV. The shops or farms will be put up to auction in the order in which they are notified unless the selling officer sees reason to change that order.

V. The highest bid will be provisionally accepted by the selling officer subject to confirmation by the Collector. Such subsequent confirmation after the close of the sale will be necessary even if the selling officer is the Collector himself. The Collector will be at liberty to accept or reject any bid at his discretion. If the selling officer before the close of the sale rejects under condition II the highest bid for any shop or farm he may at his discretion either accept the next highest bid or resell the shop or farm. In case of disputes the selling officer's decision will be final.

VI. (a) Every person whose bid is provisionally accepted shall

(i) at once, if so required by the selling officer or otherwise at the close of the day's sale, deposit in addition to the deposits made under clause I half a month's rent for each shop knocked down to him, unless the initial deposit equals or exceeds two months' rent;

(ii) at once apply in writing for a licence for each shop knocked down to him and within a week thereafter furnish the Tahsildar with the boundaries of the site selected by him for the location of the shop and a statement in the prescribed form (annexed to this notification) showing details of the immovable property possessed by him, or in which he has an interest together with accurate and full details of encumbrances, etc., thereon;

(iii) within fifteen days from the date of sale deposit such further sum as with the deposits already made under sub-clause (i) *supra* will make

up two months' rent of all shops knocked down to him.

(b) Further if the Tahsildar is not satisfied that any such person can be trusted to pay his rent punctually and fully, he may require him, in addition to the deposits required under clause (a) (iii) supra, either

(i) to deposit two months' rent of all shops knocked down to him, or

(ii) to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser, or

(iii) to produce a surety or sureties, to be accepted by the Tahsildar, who should execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee in default of payment thereof, by the surety or sureties or by the purchaser, or

(iv) if the Tahsildar is not satisfied that the value of his immovable property tendered as security is adequate, he may require such person further to produce, in addition to mortgaging his property, a surety or sureties to be approved by the Tahsildar, who shall execute a security bond for the balance of the money that may become due and execute a mortgage deed of the surety or sureties' property in favour of the Government. The sureties referred to in sub-clauses (iii) and (iv) should submit to the Tahsildar a statement in the prescribed form annexed to this notification showing details of their immovable property. The purchaser shall be bound to carry out the provisions of sub-clauses (i) to (iv) above, within fifteen days from the date of sale.

The bond and the mortgage deeds shall be stamped and registered at the expense of the purchaser. He shall also be bound to execute a counterpart agreement.

VII. Deposits will be returned in any case in which the Collector refuses to confirm the acceptance of the bid.

VIII. At the close of the day's sale the selling officer will notify the date on which re-sales, if any are found necessary, will be held; when the list of shops or farms to be re-sold has been drawn up, a copy of it will be sent to any bidder who gives his name and address to the Tahsildar.

IX. The order of the Collector confirming or refusing to confirm the acceptance of a bid shall be final unless it is revised by the Commissioner for special reasons.

X. On the failure of any person to make a deposit or apply for a licence under condition VI or to comply with any requisition or to execute any engagement under condition VI, the deposits already made may be forfeited and the shop or farm may be resold under the orders of the Divisional Officer or on a report from the Divisional Officer may be otherwise disposed of by the Collector. Resales under this condition will be at the risk of the defaulting bidder, who will forfeit all sums paid, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the shop or farm is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by resale includes closure.

XI. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the licence as well as for the proper observance of all the conditions of the licence.

XII. The deposits under condition VI (a) (iii) and (b) (i) may be made either in cash or in recognized Government, Port Trust, Municipal or Local Board Securities, or by depositing Postal savings bank pass-books or deposit certificates obtained from the Provincial Cooperative Bank (Madras Central Urban Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required as in the circumstances of the market he may think necessary. Where the deposits under this condition are sufficient, under the Collector's orders, to cover also deposits made in cash under conditions I and VI (a) (i) which have not been refunded as well as deposits due under condition VI (a), (iii) and (b) (i) the deposits made in cash may be returned to the depositors. Renters who have made the deposits under condition VI (a) (iii) and (b) (i) in the form of deposit certificates obtained from any of the Central Banks mentioned above or in cash may make a formal requisition to the Treasury Officer to transfer the cash deposits made by them under conditions I and VI (a) (i) or under conditions I, VI (a) (i) and VI (a) (iii) and (b) (i) to the fixed deposits in the Central Bank in the name of the Tahsildar. The Treasury Officer will endorse the requisition on to the Bank and inform it that when the Bank gives the necessary formal receipt, he will hand over the amount to the representative of the Bank duly authorised to receive it, or will remit it by postal money-order or insurance cover to the Bank. When the amount has to be sent by postal money-order or insurance cover the renter will be required to deposit in the Treasury, with his requisition to transfer the deposit, an amount which shall, in the opinion of the Treasury Officer, be sufficient to cover the cost of forwarding the amount of the deposit to the Bank; any balance not utilized for this purpose will be credited towards any rent due from the depositor. The securities or savings bank pass books deposited must be endorsed in the name of the Collector and Government promissory-notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. In the case of Co-operative Bank deposit certificates the deposits must be made in the name of the Tahsildar of the taluk, the contractor must agree in writing that he undertakes the risks, if any, involved in the investment and the banks must certify on the deposit certificate granted that the deposit is withdrawable on the Tahsildar's demand.

XIII. Deposits in cash will be adjusted towards the instalments of kists due in the last months of the period of the lease. Deposits of securities or savings bank pass-books or Co-operative Bank deposit certificates will be returned on payment in cash of the full amount of the rent due and of any penalties or other sums recoverable under the terms of the licence or of the conditions set forth below unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any,

due to Government must be paid in cash. In cases of default under condition X of the conditions of auction sale or under condition 37 of the general conditions applicable to all abkari and opium licences, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

4. Except when two or more foreign liquor licences are held by one person or in the case of licences held by chemists and druggists and medical practitioners, sales under different licences must be conducted in different premises.

5. Private bars in liquor shops may be allowed by the Collector under a special licence to be granted by him free of fee; provided that the interior of the bar is wholly visible from the doorway, and that the entrance to it is either through the main door of the shop or through a separate door provided with a proper sign to show the nature of the bar.

6. A signboard must be affixed to the front of each depot or shop showing the nature and number of the licence under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and in the case of taverns and wholesale depots in English also. The licence must be hung up in a conspicuous place within the depot or shop.

7. The possession upon any licensed premises of any liquor, opium or intoxicating drug except that to which the licence relates or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding license is prohibited.

8. Such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained in depots and shops.

9. No arrack shop, foreign liquor tavern or beer shop shall be opened before 9-30 a.m. Toddy shops in Salem Town shall not be opened before 9 a.m. No other shop or depot shall be opened before sunrise.

10. (a) No depot or shop shall be kept open after 8 p.m. except under special authority. Collectors may at their discretion order the closure of any depot at sunset and may on the report of the Police or for other sufficient reasons order the closure of any shop at an earlier hour if they consider such a course to be advisable in the interests of the public. The Commissioner may for sufficient reasons order the general closure of any kind or kinds or all kinds of licensed premises at any earlier hour than 8 p.m.

(b) With the previous sanction of the Commissioner, Collectors are authorized (i) to notify at the time of the auction that specified shops will be closed on the occasion of specified festivals, and that the hours of sale at specified shops which are in the neighbourhood of a market or shandy will be limited on market days generally or that they will be liable to limitation on such occasions by orders issued during the currency of the lease, if it is found that the shops promote drunkenness; (ii) to order the closure of specified shops in the neighbourhood of factories, mills and other places, where large numbers of operatives assemble, from 11-30 a.m. to 1-30 p.m. on week days, on the afternoons of pay days and at all hours on Sundays except between 11-30 a.m. and 4 p.m. A special condition embodying these restrictions or liabilities will be inserted by the Collector in the licences granted to the renters of all such shops.

(c) The closing hour of hotels in the Nilgiris is 10 p.m.

(d) The closing hour for refreshment rooms, hotels and hotel bars in Madras Town is 10 p.m. The Collector of Madras and the Commissioner of Police, however, may jointly permit the extension of the time to 11 p.m.

(e) 8 p.m. is fixed as the general closing hour in the case of Railway refreshment rooms. Collectors are authorized to note in the licences the particular hours after 9 p.m. during which such licensed premises may be kept open for the sale of liquor to bona fide travellers only with reference to arrival and departure of trains. Collectors may alter these hours during the currency of the licence with reference to any alteration in the Railway Time Tables.

11. Depots and shops must be closed, if the Collector so orders, while a regiment or detachment of soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also temporarily to close any shops in times of religious excitement or disturbance. Every depot and shopkeeper shall close his depot or shop when a riot or disturbance occurs or appears likely to occur in the neighbourhood.

12. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to liquor, opium or intoxicating drugs either to increase their intoxicating power or for any other purpose. This prohibition, however, does not apply to the compounding or blending of liquor or to the manufacture of intoxicating drugs from hemp drugs and opium in accordance with the terms of a licence. Liquor shall not be bottled except under a bottling licence. Nor shall different kinds of liquors be mixed and sold under the designation of one of them.

13. No woman shall be employed in any abkari or opium shop for the sale of liquor, opium or intoxicating drugs without the special permission of the Collector unless she be a member of the renter's family.

14 The sale or transport of liquor, opium or intoxicating drugs by persons below the age of eighteen or by persons suffering from leprosy or any contagious disease and the employment in any capacity of such persons in shops or depots licensed for the sale of the same are prohibited. No persons who have been convicted under the Indian Penal Code shall be employed in the transport or sale of liquor, opium or intoxicating drugs without the Collector's previous permission. The Divisional Officer may where necessary, call for the names of all persons employed or proposed to be employed in any capacity in connection with the management or the working of a depot or shop and the tapping and drawing of toddy for the supply of toddy shops in the topes in which the trees are marked and if he disapproves of any such person, may forbid the licensee from keeping him in employment.

Note.—This rule applies to the sale of sundries by persons in liquor shops.

15. No liquor, opium or intoxicating drug shall be sold or given—

(*a*) Except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the licence—

(2) to any other person living in barracks;

(*b*) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, i.e., any class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) The restrictions in clauses (*c*) and (*d*) so far as they relate to adult females do not apply to foreign liquor licenses issued on fixed fees.

16 No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

17. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

18. No liquor, opium or intoxicating drug in excess of the quantities prescribed for possession without a licence as specified below shall be issued to any person at any one time from any licensed premises without a valid permit, nor shall liquor be sold at wholesale depots in quantities less than the minima prescribed :—

Unless special permission is given to the contrary, separate accounts shall be kept for the transactions under each licence. The accounts shall be in printed books which may be obtained from local Revenue officers on payment of cost price. Permits for liquor, opium or intoxicating drugs received and the counterfoils of permits issued must be carefully filed in support of the accounts. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the licence and shall be produced when called for by an officer not below the rank of an Assistant Inspector of the Excise Department.

Fees for depot licences must be prepaid.

25. No remission or abatement of the rent shall be claimable on any account whatever.

26. Power is reserved to Revenue officers to suspend licences in case of failure of payment of kists or of tree tax on the due date. In the case of arrack, toddy, ganja and beer shops and taverns, this power will be exercised by Tahsildars or Deputy Tahsildars in independent charge, in the case of opium shops by Divisional Officers and in other cases by Collectors. In the event of suspension of a licence for failure to pay arrears, the privilege of sale will be resold with effect from the date of issue of the licence to the new purchaser, or otherwise disposed of at the Collector's discretion. Disposal of the privilege of sale otherwise than by resale includes also closure of the shop or tavern. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee and shall become due immediately on resale or other disposal of the shop; but the defaulting licensee shall have no right to any gain which may accrue. The whole of the deposit, if any, made by the licensee shall be liable to forfeiture. The officer who has power to suspend the licence may at his discretion allow sales to continue pending resale or other disposal of the privilege.

27. No privilege of supply or vend shall be sold, transferred or sub-rented without the Collector's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

(b) No abkari or opium licensee in any area in British territory may have any interest in or hold a licence for the same article in any other area in British territory in which a different rate of duty is in force, without the special permission of the Collector for which the party concerned must apply without delay. Breach of this condition will render the party liable to the penalties prescribed by condition 37 in respect of all or any of the licences held.

29. Such returns and information as may be required by the Divisional Officer from time to time shall be furnished by holders of licences.

30. Licensees are bound to report to the Divisional Officer all instances which come to their knowledge of persons employed by them in the manufacture, transport or sale of liquor, opium or intoxicating drugs, committing breaches of the Abkari/Opium laws and to comply with the Divisional Officer's orders respecting the continued employment of such persons.

31. Pecuniary dealings by licensees of any kind whatever with officials of the Land Revenue and the Excise Departments are absolutely prohibited.

32. With the sanction of the Commissioner, any licence shall be revocable by the Collector at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

33. All licensees shall be bound by any additional general rules that may be prescribed under the Abkari/Opium Laws and shall, if so required by the Collector or any officer authorized by him, deliver up their licences for amendment or for the issue of fresh ones.

34. The officers authorized to inspect licensed shops and depots are—

(1) any officer of the Revenue Department of rank not lower than Revenue Inspector, and

(2) any officer of the Excise Department of rank not lower than Sub-Inspector.

These officers are empowered to enter and examine the premises, to test the weights, measures, liquor, opium and intoxicating drugs in the possession of the licensee, and to call for and check the accounts kept in the shop or depot. Police officers will also make inspections when it comes within the scope of their duty.

35. All officers authorized to inspect depots and shops are authorized to detain any liquor, opium or intoxicating drugs found unfit for consumption or use or which they may believe to have been tampered with in any of the ways referred to in condition 12 and all Collectors and Assistant Commissioners of the Excise Department are empowered to confiscate, or destroy such liquor, opium or intoxicating drugs.

36. An inspection note-book, with pages numbered consecutively, shall be maintained for the use of inspecting officers and shall be handed over to the Inspector of the circle or to any officer authorized by him to receive it on a receipt being given therefor.

37. (1) If a licensee or any person in his employment is convicted by a competent court of any offence against the Abkari/Opium Act or of any offence under the Indian Penal Code which in the Collector's opinion renders it desirable to cancel the licence or if it is brought to the notice of the Collector that the licensee has been convicted by a competent court of any such offence prior to the grant to him of the licence, the Collector may direct that the licence shall be cancelled and the privilege be resold or otherwise disposed of at the risk of the licensee and may further direct, if he considers it necessary to do so, that any deposits made by the licensee shall be forfeited.

(2) Infraction of any of the conditions of the licence by a licensee or by any person in his employment will render the licensee liable either to be prosecuted and on conviction dealt with under clause (1) or to fine not exceeding Rs. 50 or to cancellation of licence and resale or other disposal of the privilege at the risk of the licensee and if considered necessary by the Collector to forfeiture of deposits. The rent for the whole lease shall become due at once when a lease is cancelled under this or the preceding rule.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

38. Any sum due by a licensee may be adjusted from the deposit, if any, made by him or collected under the Revenue Recovery Act as an arrear of land revenue. The licensee shall be bound to replace any sum adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar or Deputy Tahsildar in independent charge.

39. Interest on all moneys due shall be payable at the rate of 6 per cent per annum.

40. Collectors may at the commencement of the lease order the transfer of depots and shops from one locality to another or their closure or the opening of new depots and shops within limits as to number to be fixed by the Commissioner in his discretion. But no new shops should be opened unless notice of the sites selected has been published in the District Gazette six months before the commencement of the lease and no such changes as affect the interest of adjacent shopkeepers shall be made during the currency of a lease except under special sanction of the Commissioner. A Tahsildar may at

any time permit or order the transfer of a shop within the limits notified for the shop in the sale notice.

41. The right is reserved to the Collector to grant 'occasional licences' for the sale of liquor, opium and intoxicating drugs on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licences should be issued only when absolutely necessary and shall ordinarily be granted to the shopkeepers who usually supply the locality or in rented areas to the representative of the renter. The licences shall run only for such period not exceeding ten days as they are actually required. Not more than one licence shall be issued for a fair or festival without the sanction of the Commissioner. The fees to be paid for the licences shall be fixed at the discretion of the Collector.

Conditions applicable to Toddy Licences.

1. The privilege conferred extends only to the sale of toddy.

2. 3. No toddy except the produce of trees, for the tapping of which a licence has been issued, shall be kept in the shop, offered for sale or sold.

4. The Collector will fix the minimum number of trees to be entered in original applications for tree-tapping licences.

5. The licence confers no right to the free use of any trees.

6. Arrangements for tapping private trees must be made with the owners thereof and tree-tax at the prescribed rates paid thereon.

7. The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licences granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

8. Toddy may be imported from His Exalted Highness the Nizam's Dominions for sale in toddy shops in the Bellary district on payment of a transport duty of three annas for every five seers or part of five seers.

9. Toddy shopkeepers in British districts adjoining Mysore, Banganapalle and Pudukkottai will be allowed to tap trees in those States on payment of tree-tax into British treasuries in the case of Mysore and Banganapalle and into the State treasury in the case of Pudukkottai.

10. The addition of water to and the distillation of spirits from toddy are absolutely prohibited.

11. No sweet toddy, even if it be the produce of marked trees on which tree-tax has been paid, shall be kept or sold in the shop, nor shall any sweet toddy be mixed or allowed to be mixed with fermented toddy drawn from trees marked for the shop either in the shop or outside it.

12. Toddy drawn for one shop should not be mixed with that drawn for another and transported in one receptacle.
